responder mounted in or on --

line 4, insert before "receiving" -- in
response to the paging request, --

same line, insert after "from" -- a
communications device separate from the paging request responder
and mounted in or on --

same line, delete "in response to the paging
request"

Claim 33, line 3, insert after "to" -- a paging request
responder mounted in or on --

line 4, insert after "means" -- responsive to
the paging request --

same line, insert after "from" -- a
communications device separate from the paging request responder
and mounted in or on --

lines 4-5, delete "in response to the paging
request"

REMARKS

Claims 1-49 are presented. The original claims, 1-27, have been allowed. The claims added in the reissue application, 28-49, have been rejected. Of the rejected claims, 28-33 are independent and the remainder dependent. All of the rejected claims have been amended by amendment of the independent rejected claims. The reissue format required by MPEP §1453, Rev. 3, July 1997, has been used in amending the claims. Favorable reconsideration is respectfully requested.

In section 1 on page 2 of the Office Action, the Examiner states that the reissue application was filed without
